Professional Fiberglass Pool Crack Repair

CRACKS IN YOUR FIBERGLASS POOL?

We Repair Them Right — With Premium Materials

- ✓ High-quality marine fiberglass resin & mat
- ✓ Premium gel coat finish
- ✓ Structural repair that lasts
- ✓ Minimal disruption to swim season

Starting at
\$800
priced by size
of the crack

We use only premium marine-grade materials for a strong, seamless repair. No cheap fillers or temporary patches that fail underwater.

Full fiberglass pool resurfacing often costs \$5,000 – \$10,000+ with major downtime. Our targeted crack repair saves money and keeps you swimming.
